

Winston's Grille Job Posting
Please send resume to spatterson@winstonsgrille.com

Description:

Winston's Grille is seeking a Chef who is talented and creative with food. We are eager to bring someone to our restaurant that can join in by being a team player and leader. Our goal is to be the number one restaurant in the area. We need a Chef who is ready for the challenge of standing behind our objective of excellence.

Respect of all other people and honesty come first in the family atmosphere here at Winston's Grille. We need someone passionate about food, cleanliness and sanitation that is willing to show these skills to others through leading by example. Staying up on restaurant trends is a must.

You will be an important part of assisting in the following processes; hiring, scheduling, training, counseling, ordering, receiving, inventory, food production, preparation, serving, quality assurance, main menu and specials maintenance and creation, safety and sales building. An understanding and analysis of food costs and profit along with labor cost and profit will also be an intricate part of your work.

Caring about people and your job is of the utmost importance to us. The ambition to grow and retain co-workers along with strong core values and principles is what our restaurant is all about. We want to be known for our food and service. These are and always will be Winston's greatest asset.

As a Winston's Grille Chef you will be a representative of our company and we are looking for someone that will strengthen our businesses name. We know that we can accomplish more as a team than we could as individuals. If doing food right every single time and being a part of a well established company is your goal then we want you as our Chef.

Requirement:

A culinary or college degree is preferred but not necessary. Having five years of restaurant experience including at least two years of chef work is mandatory. Servsafe Certification is a requirement. The knowledge of all aspects of cooking, food preparation and handling is of great importance to Winston's Grille. Being able to speak Spanish is a plus but not necessary.

We want you to have the ability to receive feedback easily, along with the willingness to learn. A Winston's chef needs confidence but not arrogance in your product. You must have a passion for food and making sure every dish we serve is perfect. Your attitude must be giving the guest exactly what they want when it comes to cuisine. Having the ability of organization and detail orientation are also important qualities we're seeking. You also must be able to write recipes and help keep up with the restaurants recipe manual. Being drug free and able to pass a background check is absolutely mandatory.
